

SCOPE
2017 Summer Explorations
Program at
East Moriches
Elementary School
for Students
Entering Grades 1-6

**First-Come,
First-Served!**

Wednesday, July 5th - Friday, July 28th
8:45 AM - 12:00 PM

**Out-of-District Residents
are welcome to participate!**

Dear Parent or Guardian:

SCOPE Education Services, in cooperation with the East Moriches Union Free School District, will once again be offering an exciting Summer Explorations Program for elementary school students entering grades 1-6. We are delighted to be able to offer this program to your children in the hope of providing them with enriching ways to expand their learning while having fun.

The program will take place Wednesday, July 5th through Friday, July 28th at East Moriches Elementary School.

We are pleased to be able to offer this program and we hope that it will enhance your child's learning experience.

Sincerely,

SCOPE Education Services

Online registration is available and highly recommended to ensure your child's placement.

SCOPE Summer Explorations Program at East Moriches Elementary School

Registration Information

1. Courses are listed for the grade level the student will be **entering** in September 2017.
2. Select any courses in which you would like to enroll your child. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.
3. Courses in Session 1 & Session 2 are **\$80.00 each** (8 days). Courses in Session 3 & Session 4 are **\$100.00 each** (10 days).
4. Total your course fees and enclose a check or money order payable to **SCOPE**. Credit cards are also accepted.
5. Please fill out all information on the registration form. Return the completed registration form and full payment by **May 31, 2017** to:

*SCOPE Summer Explorations Program at East Moriches
100 Lawrence Avenue
Smithtown, NY 11787*

6. **Online registration is also available and highly recommended to ensure your child's placement.** For quick and easy registration please visit www.scopeonline.us. Click on Summer Programs 2017, then click on East Moriches Summer Explorations Program.
7. There will be a \$25.00 fee for any returned checks or declined credit cards.
8. **Confirmations and Emergency/Health forms will be emailed before the start of the program. Please contact SCOPE if you do not receive an emailed confirmation. It is the parent's responsibility to see that their child is present on the first day of class. No credit/refund will be given.**
9. **Course fees are non-refundable after Friday, June 16, 2017. All refunds issued prior to June 16th will incur a \$10.00 processing fee.**
10. The Summer Explorations program will be held at **East Moriches Elementary School**. Parents are responsible for their child's transportation to and from the program.
11. The children enrolled in both sessions may bring a snack.
12. For additional questions, please email jcarbone@scopeonline.us or call 631-360-0800, ext.148.

SUMMER EXPLORATIONS COURSES:

Session 1: July 5 - July 14, 8:45am - 10:15am

Session 2: July 5 - July 14, 10:30am - 12:00pm

Session 3: July 17 - July 28, 8:45am - 10:15am

Session 4: July 17 - July 28, 10:30am - 12:00pm

CRAZY SCIENTISTS

Science is experimental, exploratory and exciting! It's about the "Aha!" moments in life, like when you figure out how something works or when you're amazed by the result of an awesome experiment. You will have the opportunity to learn about science through our interactive and hands-on science activities that will be sure to spark your imagination! So c'mon and get messy! Let the discovery and exploration begin!

Course # 1 - Session 1 - Grades 1-3

Course # 2 - Session 3 - Grades 4-6

CODING FOR KIDS!

Do you enjoy playing video games and using apps? Would you like to know how they are made? Join our class and learn the basics of computer programming. You will learn how to code so you can begin designing your own games and apps!

Course # 3 - Session 1 - Grades 4-6

Course # 4 - Session 3 - Grades 1-3

EAST MORICHES SURVIVOR

Have you ever wished you could be on the show "Survivor"? Well this is your chance! Welcome to East Moriches Survivor Island! In this course, we will engage in hands-on team building activities, just like you were on a deserted island. Teams will work together to solve puzzles, navigate obstacle courses and create shelter. Be on the lookout for the hidden immunity idol too!

Course # 5 - Session 2 - Grades 1-3

Course # 6 - Session 4 - Grades 4-6

FITNESS FUN IN THE SUN

Fitness Fun in the Sun is a program where children will participate in various games and activities that will help students stay active! Children will have fun taking part in creative games that help develop different fundamental skills for all age levels! Students will enjoy time on the playground, along with cooperative games, to help develop teamwork and sportsmanship. Don't forget to wear your sunscreen, dress appropriately and bring water! Please join us for some fun in the sun!

Course # 7 - Session 1 - Grades 1-6

Course # 8 - Session 4 - Grades 1-6

LEGO QUEST

Do you love LEGOs?! Do you sit home and spend hours playing and building? Come show off your skills and innovation in LEGO Quest. The students will be challenged daily with new and innovative designs to build and make their own. The winners in each category will receive fun prizes to take home and show off to their family and friends! Come take the LEGO Quest and enjoy the day to day challenges that will make your imagination soar!

Course # 9 - Session 2 - Grades 1-6

MASTER CHEFS

Ever wonder what it would be like to be a top chef making delicious dishes for all to try. Now is your chance! Students will make Mexican nacho dip, pizza pockets, vegetable pirate boats and more! Students will also compete in a cupcake decorating challenge. Cooking can be fun and easy. For two weeks, you will learn how to make delightful recipes, from main courses to desserts and snacks, with plenty of tasting along the way. Come create fun, exciting, and edible works of art.

Course # 10 - Session 1 - Grades 1-3

Course # 11- Session 2 - Grades 4-6

NO BAKE N' SNACK

Do you enjoy making tasty foods and snacks? Join us as we explore recipes from snacks and sauces to dips and desserts. In this class the students are the chefs. The chefs will prepare and taste fun snacks, and learn how to work safely and be responsible in the kitchen. The chefs will also create and design their very own cookbook from the recipes we used in this course. This class is a tasty place to learn and have fun! Bon appétit!

Course # 12 - Session 3 - Grades 4-6

Course # 13 - Session 4 - Grades 1-3

PROJECT ADVENTURE

Grab your sunblock kids because this class is all about outdoor fun in the sun! In Project Adventure, students will participate in a variety of sun-soaked activities including different team building adventures, beach-ball games, water-balloon angry birds, treasure/scavenger hunts and even making and launching our very own bottle rockets. If you want to get movin' and groovin' with us this summer, sign up for Project Adventure. See you in the sun!

Course # 14 - Session 3 - Grades 1-6

READING CREATIONS

Do you love books and reading? In this course, we search through a variety of books and bring our favorite books to life through writing and artsy projects. You will also have the chance to be an author yourself and make your own storybook creations. Come and expand your literary enjoyment!

Course # 15 - Session 1 - Grades 4-6

Course # 16 - Session 2 - Grades 1-3

STEAM CHALLENGE

Do you like to explore and discover new things? If so, join us for an exciting 5 weeks as we explore the world using interactive experiments that will be sure to spark your imagination. This hands-on class will include activities that incorporate aspects of science, technology, engineering, art and math (STEAM). Students will engage in challenges like building bridges and boats while testing their strength and much more. All will be sure to have a blast, so let the challenge begin!

Course # 17 - Session 2 - Grades 4-6

Course # 18 - Session 4 - Grades 1-3

SPOTLIGHT ON THEATER

Imagine yourself on Broadway this summer! Pretend to be one of your favorite stars. Flex your acting muscles and workout your imagination. Let's explore Broadway's best shows and have some fun! You will explore techniques for becoming a character, improvising, and speaking on stage. You will perform scenes and songs from popular children's theater and famous musicals. Come join us as we perform and light up the stage. LIGHTS, CAMERA, ACTION

Course # 19 - Session 1 - Grades 1-3

Course # 20 - Session 2 - Grades 4-6

SUMMER ARTS AND CRAFTS

If you enjoy arts and crafts and love summer, then this is the course for you! Using summer fun themes like beaches, shells, fish, boats and lighthouses we will create a variety of sun-sational projects. In this course, we will use a variety of mediums to create beautiful works of art! We will use materials such as watercolors, clay, paint and more. Let your imagination soar as you explore summer favorites.

Course # 21 - Session 1 - Grades 1-6

Course # 22 - Session 3 - Grades 1-6

YOUNG ENGINEERS

Calling all young engineers! In this course, you will create projects that involve designing, building and testing what you've built. Some of these projects include airplanes, rockets, structures and simple machines. So come and join this exciting, hands-on class!

Course # 23- Session 2 - Grades 1-3

Course # 24 - Session 4 - Grades 4-6
