

9/4/2020

Aramark K-12 Dining Food Service  
East Moriches UFSD  
9 Adelaide Ave.  
East Moriches, NY 11940

Dear East Moriches UFSD Families,

I hope you are having a wonderful summer and enjoying time with friends and family!

I would like to take this opportunity to welcome your student(s) back to Aramark Dining Services for the 2020-2021 school year. During these unprecedented times we want you to know that keeping your students safe while eating with us is our #1 priority.

With the weeks quickly passing, we have been busy working alongside your school leaders to determine what is the safest dining solution and option(s) to offer students when they come back to school.

As we complete our opening preparations, we want to share with you our key areas of focus this year.

- Focus on Students
- Maintain Safe Environments
- Adapt our Operations
- Engage our Teams

With school officially opening for students on September 9, 2020, we have a lot to accomplish, but we are excited to finally be back with the best customers we know...our kids!

As we begin September 2020, meals will continue to be available to all students by the following processes:

- Elementary School students will get their breakfast or lunch in the cafeteria and eat in a socially distanced environment.
- Middle School students will have lunch brought to the classroom and students will eat, socially distanced, at their desk in the classroom.
  - o In order for your child to participate, meals must be ordered in advance from the online East Moriches Middle School Meal Order Form located alongside the menus on the East Moriches UFSD website.
- Grab & Go breakfast meals will also be available in Middle School cafeteria each morning.
- Bagged meals will be available to virtual learners daily via student or parent pick-up at East Moriches Middle School. Please inquire about this service as you are entering the building.

Due to COVID concerns, we will not accept cash to pay for snacks or other items. Students who wish to purchase items beyond the school meal will need to have credit on their school lunch account. To setup a school lunch account or to add money to an existing account, please visit [www.myschoolbucks.com](http://www.myschoolbucks.com) where you can add funds to student accounts via credit card. You may also add money to a student account by sending a check to: East Moriches UFSD School Lunch, 9 Adelaide Ave., East Moriches, NY 11940.

At the middle school, we will be serving cold meals for the first few weeks of school as we all get used to the new processes. We intend to serve warm meals and offer more options as soon as we can. We hope you will all work with us as we adapt to the changes we have made to keep everyone fed and healthy. As always, if you have questions or concerns you can contact us via email at [klingerory@aramark.com](mailto:klingerory@aramark.com).

In the time remaining, continue to relax and enjoy the summer. We look forward to the start of the school year.

Sincerely,  
R. Evan Klinge  
Aramark Food Service Director
