

# East Moriches MS Yearbook

Submitting images to be used in the 2020 yearbook or to purchase a copy.

Log into:

<https://www.yearbookspm.com/template/home3/Public.jsp>

When you are in, you will see

You will need to create a profile which will allow you to log into Photo Post or Yearbook stuff.

Select what you wish to do, and the search school will show and then you will need to create your log on profile before you can move onto what you wish to do. You can log on as many times as you need to.

In photo post you will see folders that you can upload to. Select the folder, select upload and when your image is posted, please tag the image.

When you upload the image and you see it appear, it will have an 'i' in the upper right of the image. See Example to left.

With the jpeg number located in the top box, backspace the image info and replace it with the subjects first and last name.

If there are more than one person, you can use the additional lined spaces to add more names. When done, click the X and it is saved. Continue to add more as you need following the same process. All files need to be no less that 600 KB in size

(400 x 400 min)
